

PrezCat

The nation's only affordable housing preservation policy catalog

Search

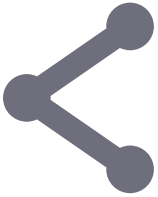

Search state specific information from Qualified Allocation Plans, housing trust funds, state databases and Low-Income Housing Tax Credit Allocations.

Learn

Learn about successful affordable housing preservation policies from across the country and programs that address affordable housing challenges.

Compare

Compare national and regional trends and analysis on affordable housing preservation, green and sustainable housing, policy, transit-oriented development, rural housing, opportunity housing and much more.

Personalize

Develop a profile to identify specific interest areas, both topically and geographically, and set up email alerts for new records added. Then save, store and share those records with colleagues, friends and policy makers.

Housing Developers

State and Local Policymakers

State Housing Finance Agencies

Housing Advocates

PrezCat allows for the free and unlimited search of policies and programs that are most relevant to short and long-term affordable housing policy needs.

The screenshot shows the PrezCat website interface. At the top left is the National Housing Trust logo, followed by a yellow box labeled "LOGO HERE". The navigation menu includes "PrezCat Catalog", "National Resources", "About PrezCat", "Contact Us", and "myPrezCat Login". Below the navigation is a search bar with a "Keyword:" field and a "Submit" button. To the right is a map of the United States with the text "Choose a state for affordable housing preservation policies." Below the search bar is a "Featured Content" section with a "YOUR CONTENT HERE" box and two "LOGO HERE" boxes. At the bottom, there is a "Webinar: National Housing Trust Fund" section and a "EEFA releases its best practices guide to increase the efficiency of the multifamily affordable housing sector" section.
